

# 3rd Annual Weed Smackdown

July 14, 2012

10am - 1pm

The 2011 event removed 3,200 lbs of invasive weeds from Tanana Lakes Recreation Area - a beautiful wildlife habitat and our newest park!

Be there this year to help break the record!

Come alone or form a team to pull invasive plants in this fun community service event!

Register by June 20 to be entered in a prize drawing.

We will once again be competing against other Alaskan communities.

Join the fun!

For registration:
